Better Business Bureau Accredits Cirtex Corp., HostV, CirtexHosting

NEW YORK (November 11, 2009) – [Cirtex Corp.](http://www.cirtex.com) announced today it has received accreditation from the Better Business Bureau of New York, an important measure of trust, integrity, and reliability for businesses. The accreditation applies to the company's two hosting brands, [CirtexHosting](http://www.cirtexhosting.com) and [HostV](http://www.hostv.com).

As an accredited business, Cirtex Corp. meets all BBBOnline participation and Better Business Bureau accreditation standards and is authorized to display the BBB Accredited Business seal. The Better Business Bureau gives the company an "A" rating, based on several years of records and successful resolution of all recorded customer complaints.

"For nearly a century, the Better Business Bureau has worked to gather and report information about the reliability of businesses. Receiving accreditation from the Better Business Bureau is an important indication of how our company does business, and it underscores what thousands of our customers have known for years: we take trust very seriously," said Cirtex Corp. president John Xie.

As an accredited business by the Better Business Bureau, Cirtex Corp. is required to abide by the program's accreditation standards, which include honest advertising, transparent business management information, honoring promises, privacy protection, and establishing a track record of trust.

CirtexHosting offers a variety of Unmetered Bandwidth hosting plans and Semi-Dedicated hosting plans, in addition to Shared hosting and Reseller hosting plans. With Unmetered Bandwidth Hosting, customers can host bandwidth-intensive applications and stream multimedia without worrying about exceeding arbitrary caps or facing crippling overage fees.

HostV also provides a variety of Virtual Private Server (VPS) hosting solutions. VPS Hosting plans from HostV start at \$39.99/monthly for 25GB of disk space and 1000GB of top-tier data transfer. All accounts include full support for video hosting, free data backups, and HostV's premium customer support.
